WARWICKSHIRE COUNTY COUNCIL ELECTIONS - THURSDAY MAY 1ST

ClarendonLibDems

www.wdlibdems.org.uk

VOTE FOR A STRONG LOCAL VOICE ON **MAY 1ST**

On Thursday, May 1st, we have the opportunity to vote for who will represent our community at Shire Hall during a crucial period. Max Langer is running to be a strong voice for our area!

Over the next council term, significant changes will take place. Warwick District Council will be dissolved as part of the government's move to eliminate two-tier counties like ours. Additionally, a local plan will be finalised, paving the way for thousands of new homes that will reshape our community.

Unfortunately, our current Labour county councillor has been largely absent on these important issues, attending less than half of council meetings in the past year and rarely engaging with residents.

Max Langer is committed to being an active and vocal representative, ensuring that local voices are heard at Shire Hall.

Speaking about the upcoming election, Max said:

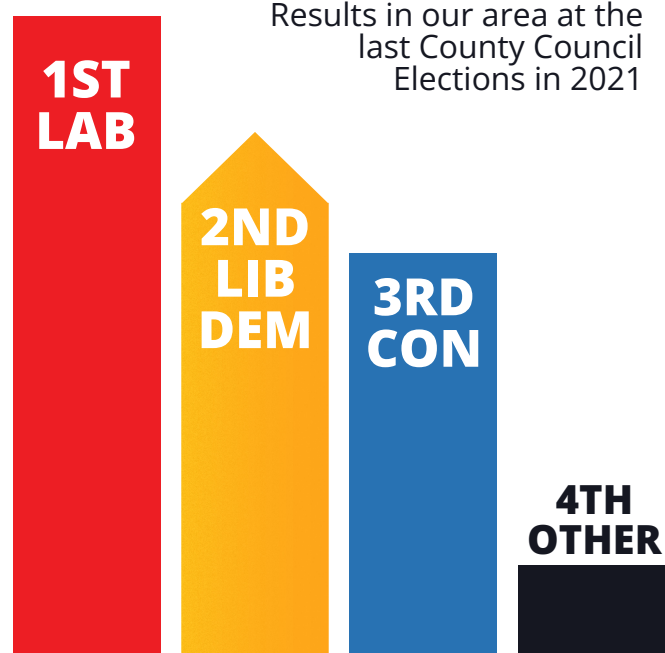

"It's an honour to stand for election in our community. Local people deserve a councillor who actively represents them, and I will work tirelessly to fulfill that role."

Max Langer is standing to be a **strong voice** for our community, to bring a **fresh perspective** and move our area forward with a **plan for the future**.

IT'S **LIB DEM MAX LANGER** OR **LABOUR** IN LEAMINGTON CLARENDON

The local election here is a clear choice between myself and just another Labour councillor that just turns up at election time.

I'm proud to listen to residents, work hard and keep in touch all year round.

Whether it's fighting for better local services or challenging cuts from local Conservatives, I will always put our area first.

Vote for a local champion on 1st May 2025!

Max Langer

"Remember, only myself and the Lib Dems can beat Labour here."

ONLY THE **LIB DEMS CAN
BEAT **LABOUR** HERE**

MEET MAX **YOUR COUNTY COUNCIL CANDIDATE**

On May 1st we'll have a chance to vote on who will represent us at Shire Hall. They will oversee a vital period for our community, with the reorganisation of the council, a new local plan and a perilous financial position.

Max Langer lives in Leamington and is standing to be a strong voice for our area. Max works as a consultant in the public sector, supporting the NHS to tackle the unprecedented demand being felt by all of our health and care workers. He has expertise in delivering operational improvement in tough situations.

ON MAY 1st YOU HAVE A CHOICE

MORE LETDOWN WITH LABOUR

Labour is failing our community, both locally and nationally. Our current Labour councillor has become practically invisible, consistently missing crucial meetings and neglecting their responsibilities. This lack of representation leaves our concerns unheard and our community underserved. It's time for a change and for representatives who will prioritise our needs.

Just a few of Labour's recent letdowns:

- Our councillor **only turned up to 43% of meetings** in 2024, missing crucial debates on important issues for our community.
- Labour have **raised national insurance** massively, putting small businesses and GP surgeries at risk of closure.
- 2024 was the **deadliest year on record** for channel crossings as both Labour and Tory policies failed.
- **Raised the bus fare cap** by 50%!

OR

MAX LANGER'S PLAN for A BETTER WARWICKSHIRE

COUNCIL SERVICES WE CAN TRUST

From potholes, to SEND provision, to social care, council services aren't delivering for local people. As your councillor, I'll be a strong voice to demand better for our area. Rather than managing decline, I will push for improvements for our area, so that we can all take pride in the community we call home.

CARE IN THE COMMUNITY

As our hospitals come under increasing strain we need to transition to delivering better care and support for people in the community through integrated social care. I've delivered this change in my career and can take this experience to the council.

A PLAN FOR THE FUTURE

With climate change and continuing technological changes in our world, we can't afford to stand still as a community. I want to push for bold action to decarbonise our area and give people the skills to prepare them for the future.
