ANOTHER ONE?

TENS OF THOUSANDS SPENT ON WASTEFUL LABOUR BY-ELECTIONS

It's been less than nine months since Clarendon last went to the polls, and yet again it's because a Labour Councillor has resigned.

This is the fourth by-election in less than three years in our community. All of these have been caused by Labour councillors resigning before serving their full term. When residents elect a councillor they expect them to turn up and deliver on their promises! Holding a by-elections costs thousands of pounds, so **Labour locally have wasted tens of thousands on needless elections**, that could have been better spent on local services.

ELECT RAINA DEO TO THE TOWN COUNCIL

IT'S LIB DEM OR LABOUR IN OUR AREA

There's just 13 votes in it!

Elections in Leamington Clarendon are a clear choice between the Lib Dems and Labour. The only way to get a fair deal for our area is to back the Lib Dem team.

By backing Raina and the Lib Dems you can not only elect a hard-working local champion for our area, but also send a strong message to Labour to get on with the job!
